Walk-around decks allow easy access to the outdoor areas, which offer a variety of places for guests to relax in privacy. The tender and water toys add to the enjoyment of life at sea. The 25' Pursuit center console tender is available to whisk your whole party away to secluded beaches or quiet snorkeling spots. Towable toys including skis, wakeboard and kneeboard provide exhilarating fun for guests of all ages. Additional water sports equipment includes two wave runners and kayaks. Explore various anchorages and bays with one of the paddleboards on board. Rendezvous diving can also be arranged.

Prepare to be pampered aboard the Lady J. Relax and unwind on the large open aft deck with its wonderful sea breezes or settle into the comfortable furniture in the air-conditioned main salon and watch your favorite film. Meals are served to your preference al fresco or in the formal dining room. A panel between the dining room and the salon can be raised or lowered for different occasions.

Wherever you choose to dine, every meal will be exquisitely prepared and served. The chef of the Lady J will create a custom menu to delight you — every meal of the day. If you'd like to partake of the restaurants on shore, the captain can arrange recommendations and reservations.

Beautifully finished, the skylounge is a secluded getaway offering bird's eye views of your surroundings. The cozy, fully panelled lounge area has a bar, an entertainment system, retractable flat screen television and game table. This is an ideal spot to relax after dinner, read or watch a movie. Just aft is an open deck with a large dining table that can seat a party of 12. There's additional cocktail space and seating in the comfortable settees that border the periphery of the aft deck. Soak up the sun or let the crew put up the umbrellas for some cool shade.

## *Have a blissful night's rest*

The Lady J accommodates up to twelve guests in five outstanding staterooms. The Lady J is configured with a king master, two queens, and two twins with trundles. Each cabin is unique but each is equally luxurious and appointed with sumptuous soft goods and linens. Every guest stateroom has ensuite facilities that include a shower and tub, generous storage, and a full entertainment system including flat screen TV/DVD/CD and iPod connections. The ambiance of the staterooms is that of a classic ocean-going yacht with rich wood finishes and sophisticated details.

Spacious and exceptionally private, the full-beam king master suite is located on the main deck. One enters via the private owner's office to starboard. A hallway then leads to the bedroom area with sofa to starboard and a vanity to port. The his and hers bathroom has two sinks, separate stall shower, private toilet, and a large Jacuzzi tub.

Sun worshippers will adore the sun deck of the Lady J. She is outfitted with five spacious sun beds plus two comfortable lounge chairs. A bar where the crew prepares refreshing drinks and juices surrounds the large Jacuzzi tub. The outdoor flat screen television system may be viewed from the bar, the Jacuzzi or the sun bed aft. Staying in shape is easy with the two treadmills, which are stored underneath the sun bed when not in use. The swim platform has a convenient cold / hot shower and full head.
