### Day 1 – Phuket to Koh Phi Phi via Kai Nai Island

Arrival at Laem Phrao Marina at 18h30-19h00.

Embarkation onboard CALISTO, while being warmly greeted by the crew. Departure for Nai island, a beautiful small unspoiled island on the way to Phi Phi Island.

Dinner onboard.

Mooring off Nai Island.

## Day 2 – Nai Island to Koh Phi Phi

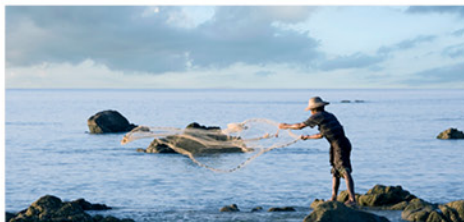

Departure for the Phi Phi archipelago.

Arrival at Maya Bay, located east of Phi Phi Ley. Lunch on board, at anchor.

Departure during the afternoon for the Rok island.

Anchorage off Rok's National Park. Koh Rok is a small island composed of two twin islets: Koh Rok Nok and Koh Rok Nai.

Enjoy the picturesque sunset and landscape of these authentic islands.

## Day 3 – Mooring off Koh Rok

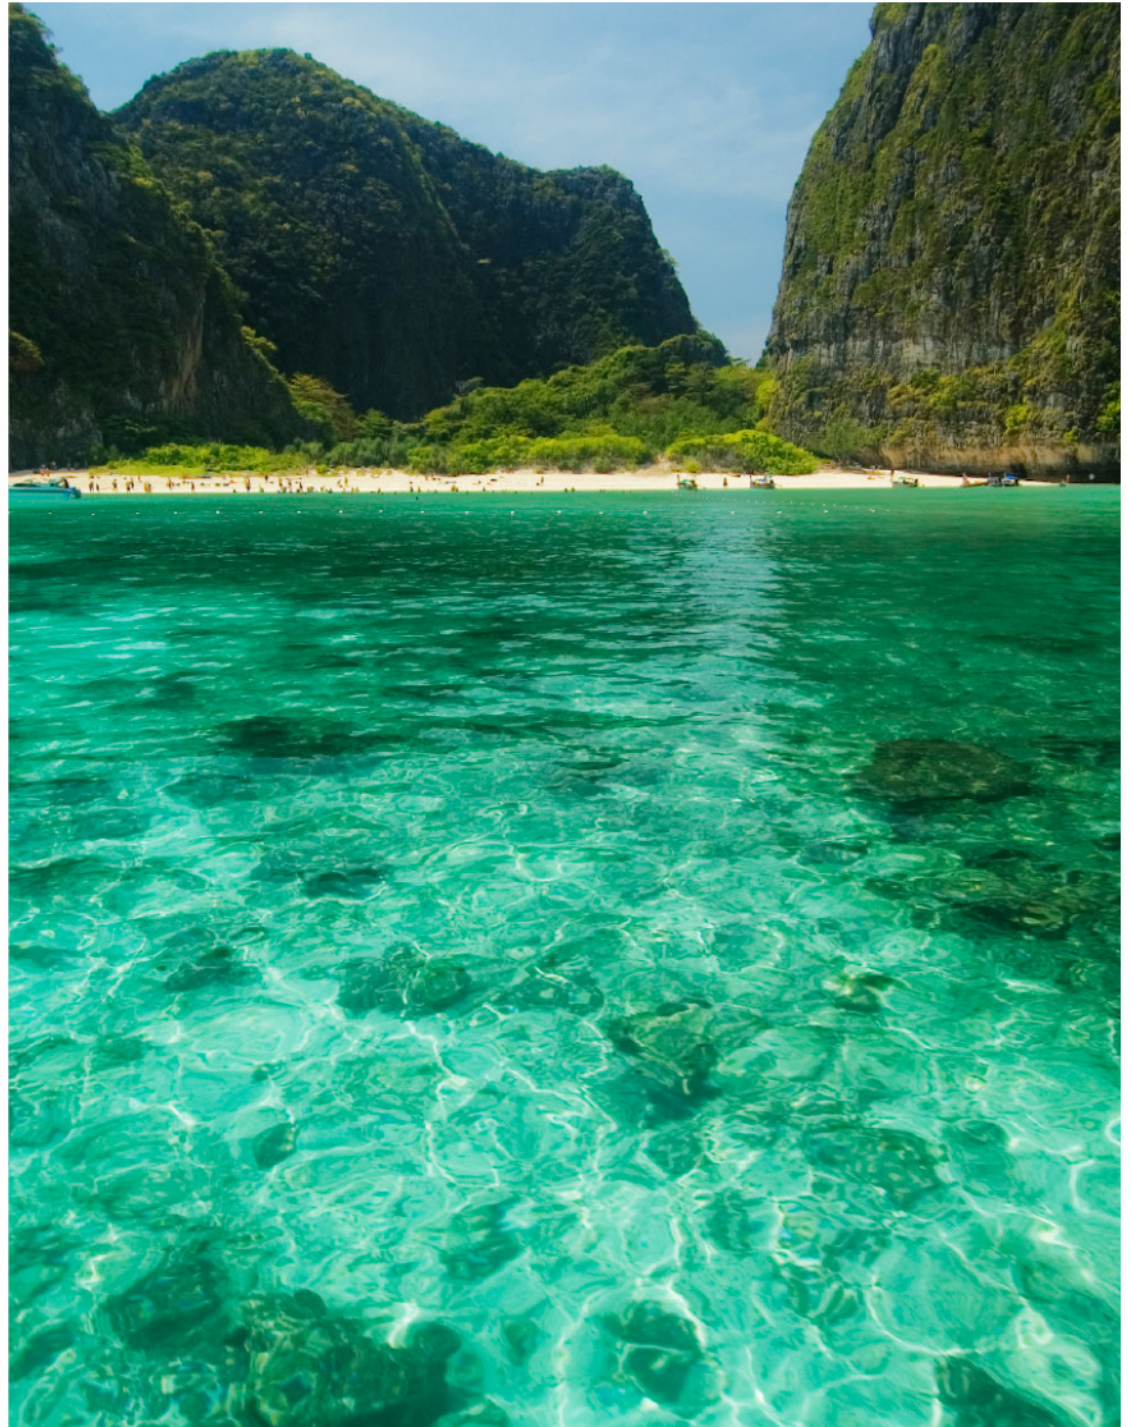

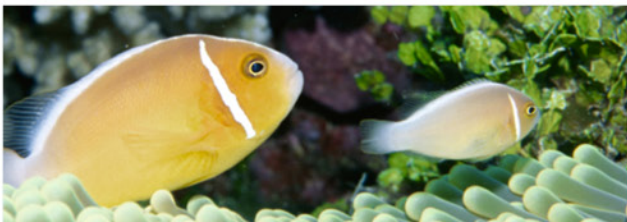

Breakfast onboard.

Koh Rok is characterised by its breathtaking coral reefs and exceptional cliffs. She also features magnificent beaches.

The Rok Island is also home to a very important and diverse wildlife. If you feel adventurous, in an amazonian looking forest, this island might be just the right place for you...

Return on board for lunch.

The island is the perfect place for scuba diving since the islet's seabed withholds great surprises for its divers. The water is so clear it allows divers to see up 10 meters deep.

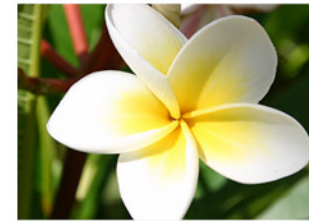

## Day 4 - Rok to Butang

Morning swim and breakfast.

9h30 - Departure for the Butang islands. Estimated Time of Arrival: 15h30. Mooring overnight off Butang's coast.

The Butang islands are perfect for the ones looking for lightly exposed white sandy beaches, clear water, and wonderful diving spots.

## Day 5 – Butang to Lipe and Tanga Island to Tarutao

Breakfast and snorkelling in the coloured tropical reefs.

10h30 – Departure for Lipe and cruising towards Tanga.
