Accommodations

The spacious aft master cabin includes two large double berths, copious storage (3 hanging lockers and 18 drawers), entertainment system and large head with double sinks and stall shower. The three guest cabins all feature abundant storage and heads with stall showers. All cabins feature natural light and ventilation from deck hatches and unique portlights. A/C throughout.

JUPITER

Captain Zachary Wallen will welcome you aboard JUPITER. Since 2006, he has logged thousands of offshore miles sailing from the Canadian Maritimes along the US Eastern Coast down to the Caribbean and back. Captain Wallen is a versatile skipper who has delivered boats ranging in lengths from 38 to 90 feet. He holds a USCG 500 Ton Masters Upon Oceans license, Sailing and Towing endorsements, PADI Dive Master and a Wilderness First Responders certificate.

Chef and First Mate, Frida Eklund, has a reputation of being hard working and a quick learner. She has earned qualifications, including STCW 95, PADI Open Water Diver and powerboat handling. Frida took a culinary workshop at Chicago's Blue Ribbon Kitchen and completed Personal Chef Training in Fort Lauderdale.
