M/y Far Niente

CREW PROFILE

M/Y Far Niente

CREW PROFILE

Captain: Zachary Paap, American

Previous Yachts: IROQUOIS (164'), AUSSIE RULES (142'), CAKEWALK (205'), THE HIGHLANDER (117'), NORTHLANDER (125')

Zach grew up outside of Boston, Massachusetts, and after graduating from University of Massachusetts with a degree in Psychology he headed to Florida, discovered yachting, and has been hooked ever since. His 20 years of yachting experience has brought him four new build experiences and extensive charter knowledge throughout the East Coast of the United States, up to Canada, the Great Lakes, Bahamas, Caribbean, Central America, and Mediterranean including the Adriatic. Hobbies include photography, exercise, traveling, reading and spending time with family.

As a captain, he oversees every aspect of the yacht's operations ensuring safety at all times and a comfortable cruising experience. He is adept at crew relations, continually maintaining a strong team environment to create the most memorable and service oriented experience for the guests. Zach would like to take this opportunity to welcome you aboard M/Y Far Niente and introduce you to the rest of the crew:

1st Mate: Jonathan Barrett, South African

Previous Yachts: CHILLS (85ft) Westport, 18 months. Busy Charter Boat

Jonathan (Jon) grew up in Durban, South Africa, and fell in love with the ocean at a young age. When he wasn't on his family's 38ft Luhrs Sport Fisher, you would find him surfing or wake boarding in Durban's warm ocean. After Jon obtained his diploma in Hotel and Hospitality, he dove headfirst into the service and tourism industry that eventually led him into the direction of a yachting career. Hobbies: Surfing, skateboarding, fishing and scuba diving

As a 1st Mate, he is responsible for all that happens on deck and the safety of the ship and its guests. His job is to assist guests with the water toys and to keep the yacht's exterior in meticulous order. He has fantastic tender driving skills. He is great with kids.

Chef: Benoit Mercier, Canada

Previous Yachts: MY SEANNA (185'), DESTINATION FOX HARB'R TOO(161'), SEAOWL (203')

From Quebec, Canada, Benoit started cooking at an early age for his family where he would always prepare breakfast on the weekends. This led him to culinary school at the reputable École Hôtelière des Laurentides in Sainte-Adèle. After his graduation, Benoit traveled to over 30 countries and has worked in some of the finest restaurants around the world. From Libya to Bermuda, and France to Japan, Benoit worked with amazing chefs and in particular, the Michelin star rated restaurateur, Hiroyuki Hiramatsu in Tokyo, Japan where he learned the Feng Shui way and discipline to run a kitchen. He then moved to the yachting industry to challenge himself and works for the UHNWI.

Benoit has been an Executive Chef on yachts for over 15 years. He is keeping up with the diet trends of today such as gluten-free, vegetarian, raw diets as well as creating his own superfood such as chocolate, healthy preserves and protein bars. In January 2015 he graduated from the Integrative Nutrition School of New York as a professional coach in improving health and happiness through nutrition.

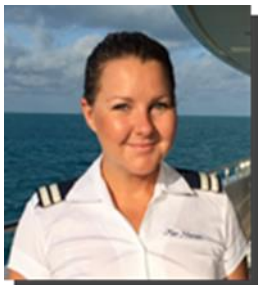

Chief Stewardess: Nikky Mercier, Northern France.

Previous Yachts: CARPEDIEM (191'), LADY BRITT (206'), VAJOLIROJA (156'), PHOCEA (246'), GLAZE (161')

Nikky is French from the Champagne area. She is a Chief Stewardess who enjoys training and running the interior team. She joined yachting in South of France where some of her family members live. Since 2004, she has worked on busy charter yachts and brings many years of experience and well-trained interior team to M/Y Far Niente to ensure the smooth running of your charter. She is also passionate about new trends in cuisine, fine food and fine wine. She spent most of her career in the USA and Caribbean Islands working for the UHNWI. She is the main liaison with Owners, guests, Captain and the galley.

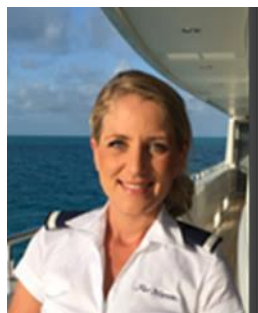

Nikky's skills and education include MCA Medical First Aid and Padi Open Water Certification. She has a BA Degree in Business & Administration, Paris France, Mixology & Wine Certification from the New York Bartending School USA, Silver Service and she is also a graduate as a Nutritional Therapist. She speaks English, French and Spanish. Nikky is dedicated to making your experience aboard memorable. She offers the highest standards in all aspects of the interior and service. Nikky is always eager to assist you in every way and to ensure the best yacht vacation possible.

2nd Stewardess: Xanthea van Wyk (Xan), South African
Previous Yachts: CHILLS (85ft) Westport, 18 months. Busy Charter Boat

Xanthea is originally from South Africa, and has always had a passion for the hospitality and tourism industry. Once her Diploma in Business Management was completed, she started obtaining more experience at various companies and this eventually included being able to manage a 55 room Game Lodge/Hotel with her husband (Jon) in the beautiful African country of Namibia. So with travel in mind, the yachting industry seemed like the perfect avenue to explore and pursue a career in, and experience together. Hobbies include snorkeling, running and paddle boarding.

As a 2nd stew, she is great with children and adults alike. She is no stranger to making a cocktail. She is delighted to offer guests five star service and will be happy to accommodate your every need.

Stewardess/Deck : Joleze Van den Berg, South Africa
Previous Yachts: Waku (141'), Carolina (130')

Joleze is our fun, vibrant and youngest crew member onboard M/Y Far Niente. As soon as she finished school, being the free spirit that she is, she got onto a 48ft catamaran with her older brother and sailed across the Atlantic from her hometown, Cape Town, all the way to America. She has always had a passion for traveling. She loves making friends and meeting new people from all over the world. Joleze had worked on several boats, gaining as much experience as she could before joining M/Y Far Niente.

With her bubbly personality and big smile you will feel at home onboard. This will hopefully be a highlight aboard your Far Niente experience.

Engineer/Deck: Saar Amit, American
Previous Yachts: The Highlander (162')

Saar grew up in Israel. As a kid, he used to spend most of his free time around the sea, which was 10 minutes away from his house. When he got older, he joined the Navy as an Engineer aboard a Navy vessel. He has obtained a lot of skills, experiences and adventures during these 4 years. He loves diving in beautiful water, wake-boarding, traveling the world and playing piano. His passion for yachts and the business, made him decide to improve his knowledge by working as a permanent engineer on yachts. Since he has joined M/Y Far Niente, he gets to see the most beautiful places on Earth, and do exactly what he loves in life, and meet amazing people. He is a citizen of the world who lives the life he loves, and loves the life he lives.

Saar maintains the yacht's systems in top condition 24/7. He will ensure everything is in proper working order from your shower to the galley, main engines and everything in between.
