Built: 1996

Refit: 2018

Builder: Dynamique Yachts

Flag: Greek

Port of Registry: Piraeus

Hull construction: GRP

Greek charter licence, Air conditioning, WiFi connection on board

Built by the famous Dynamique Yachts shipyard, and having undergone a total refit in 2018, S/Y Amadeus was designed to please the most demanding of yachtsmen. Built for smooth sailing, this elegant cutter rigged sloop has a sleek hull design, comfortably reaching top speeds of 12 knots and ensuring excellent sailing performance.

S/Y Amadeus has just undergone this past winter (2018) a major refit such as total repaint top to bottom, new rigging (BSI Denmark), new exterior fabrics and many more. In 2016 new "North Sails" were placed onboard. The yacht is maintained in excellent condition with a five-star crew year round.

Her generous uncluttered teak deck offers plenty of space for sunbathing. The spacious and unique outdoor saloon has two tables seating upto 12 guests and is a perfect setting for outdoor dining and entertainment. Thanks to a special canopy and roll-up windows, the deck saloon has the added attraction that it can be fully enclosed, making it ideal for all weather conditions. Her forward area includes a splash pool and sun bathing area which can also be shaded with a removable awning.

From the cockpit, a stairway leads to the light-filled spacious saloon offering ample seating, ideal for relaxing or enjoying a drink from the bar, and offers a formal dining area. This area also includes a LCD TV, entertainment center, ipod dock station, playstation, and is ideal for indoor activities.

She can accommodate 10-12 guests in one full width master stateroom, two double bedded cabins each having one extra single bed and two twin bedded cabins which can be easily converted to double beds, thus, making her the only 5 double bedded sailboat in the Greek market.
