**Description:**

Captain Franck Fornier, French

Local to the South of France, Mediterranean Captain Franck is very proud of his roots and area, but also loves travelling and taking guests to see the Med. Having been on board since the owner purchased the yacht, he knows her inside out and makes sure everything runs perfectly. Not impartial to a good chat, Captain Franck is friendly and welcoming. He is happiest when on charter, cruising around. He knows the importance of surrounding himself with a great crew and always picks the best team for the summer.
