---

The remarkably stylish 33.5m ROBBIE BOBBY was launched in 2013 from the Lynx shipyard in Holland. Designed by Diana Yacht Design and with interiors from Weber Yacht Design, this steel-hulled displacement vessel is unique with contemporary interiors and clean exterior lines.

ROBBIE BOBBY is a modern classic and her exterior look is strong and well-balanced thanks to her navy-blue hull and clean white aluminium superstructure. Upon boarding, one is welcomed on a spacious, panoramic aft deck which

emphasises the luxurious, natural modern atmosphere that can be enjoyed everywhere onboard. ROBBIE BOBBY is all about offering her guests a refined and classy ambiance, to allow everyone the chance to relax, soak up the magnificent surroundings and enjoy all the good things life has to offer.

Boasting a surprising amount of space and volume for 33.4 metres, she gives guests the impression of being on a 45 metre yacht given her high ceilings, her generous beam of 8 metres and a very intelligent layout. Luxurious accommodation is provided for 10 - 12 guests in 5 superbly appointed cabins.

The master cabin is full-beam and situated on the main deck, offering guests a large ensuite bathroom and plenty of closet space. The lower deck consists of two double cabins and two exceptionally large twin cabins, each with pullman. All cabins have wifi, docking stations and the renowned Sonus system so that guests have the choice to listen to different music in different areas to their taste. Each cabin provides ensuite bathrooms, LCD TV's as well as storage and closet space.

With a total of 3 exterior decks on offer to clients, there are a number of different areas for entertaining and the yacht also provides separate space so that guests can enjoy privacy at their discretion. She also boasts a starboard swim platform with part of the hull folding out from the mid-deck garage so that toys can be launched without any difficulty and guests
