Designed by and built for iconic fashion designer Giorgio Armani, MARIU is the height of fashion. Textures and tones found onboard include leather, richly grained woods and aluminium ceilings that have a soft reflective sheen, beautifully contrasting the rustic wide teak floorboards and bleached oak panelling.

With open-plan saloons and minimalist staterooms, MARIU has six well-appointed double cabins. The yacht is ideally set up for families and friends charters. An elevator connects all four decks, including a very large sun deck that can be flexibly

shaded for sunbathing or an afternoon nap. The Jacuzzi that is found forward on the sun deck is the ideal place to enjoy sundowners. The main deck office has recently been replaced with a 200-bottle wine cellar allowing guests to enjoy a large variety of refined wines.

Armani's ideas and vision have leapt from catwalk to cakewalk. Here is the chance to charter the lifestyle. MARIU is now an RYA training establishment for personal water craft and her vast array of water sports will impress even the most active guests.
